Narrative of the Incident (be specific)	<p>On Wednesday March 4, 2020 at approximately 1:45 pm I was at the bus lot monitoring the student's as the buses arrived to pick them up. I observed a large crowd of student's behind a bus, as I approached them I heard a female student asking a male student what he had in his hand, the male student looked at me and placed the object in his pocket.</p> <p>I asked the male student who identified himself as Daniel Mondragon (10th Grade) to walk with me to the sidewalk, as we were walking I asked him what he placed in his front pocket he said a box, I asked if I could see it, he pulled it out of his pocket it was a flavored disposable nicotine Puff Bar. I wrote down his information and advised him to report to Millan Baca (10th Grade) Assistant Principal in the morning. I kept the disposable Puff Bar.</p> <p>Millan Baca met with Daniel on Thursday morning in his office, Mr. Baca asked me to search Daniel and his back pack, I did not find any contraband on Daniel or his back pack. Mr. Baca gave Daniel a One (1) Day Out Of School Suspension an he also called his parents and informed them of the situation. I disposed the Puff Bar.</p> <p>End of statement.</p>
